Dear Gil:

In response to several inquiries regarding extension or continuation of the R/S study contract beyond 1 June 1962, we contacted the WSPO in Dayton regarding such an amendment to the contract.

We have been advised that the current contract will expire 1 June 1962 and all work is to be completed by that date. The WSPO expects to complete its evaluation of the studies and mock-up by 8 June 1962 and anticipates a decision on the program during the week of 11 June 1962.

In view of the foregoing, there will be no extension of the current contract beyond 1 June 1962 and you should govern your work and costs accordingly. We will attempt to keep you notified of any change in status in the foregoing.

Very truly yours,
